About The Museum

A FARM LIKE GRANDMA AND GRANDPA'S!

Sunnybrook Farm Museum is a non-profit, charitable organization. Our Mission is "to promote understanding about rural life in a living farm community in Central Alberta, 1880-1950s, through preservation and interpretation." While our vision is to create "a unique farm museum in the heart of Red Deer where people can learn about the early history of life in a rural community in Central Alberta."

Imagine the lives of pioneer farm families - working in the field, milking the family cow in the dairy barn, repairing a plow in the blacksmith shop, or baking bread in the summer kitchen.

Join us as we travel back in time. Chat with "men at work" in the restoration shop. Experience the modern conveniences - of 1905 - on a visit to the log house.
